

2020 VISION
Word of the Lord spoken through Tracy Harris
January 14, 2018

I'll say it... I'll say it, yeah I'll say that too. You haven't been waiting on Me; I've been waiting on you. Since 1998, for 20 years, I've been waiting on you. But if you'll choose to enter and step in and step up and step out, I will catch you up, and 20 years will be accomplished in two years, and in two years' time, you will be where you would've been had you been doing it all right, all along for 22 years. For I am going to restore ten years in one, and in the next two years, 20 years of progress will come to pass. And it shall all be found in My Name, by your faith and in the laws that govern the supernatural manifestation of the progress...(Tongues)

And you think translation has to do with going from here to there. I'm about to translate you into the manifestation of the vision. For you see, this is what I said to My son, My prophet, when I said, "Translation is a miracle of transportation," and I'm about to transport you, not from here to there geographically, like you would think for you have limited that miracle anointing in your mind; I'm about to transport...(Tongues)

Here's how your human mind can understand it. Everything on the earth was transferred from Heaven, and in six days what was there, which seemed like was waiting a long time in coming, came into the earth - transferred there. For it has always been working, always been there, always been materializing, and so it is with your life, and your vision, and the things I've called you to do in this generation. Translation and the miracle that causes things to be...(Tongues)

Yes, this is the way I want you to understand it. Translation is, not the need for the natural to operate in the natural; to do what you need to do, to go where you need to go, to be where you need to be. So translation has inside of it the anointing to cause things to be like they would have been without natural processes. And I'm about to translate you in two years into 20 years' worth of manifestation. By the dawn of 2020, I will revisit you, unfurling My banner; that's why I have decreed this a banner year.

For I will visit you within two years, and you shall have unfurled over you the banner of the worldwide impact of Harvest International Ministries. There will be an international harvest for Harvest International. And the light of My glory shall begin to arise in the nations, and I will pour out my Spirit on works, and ministries, and anointings, and ministry gifts, and yes, churches dotting the globe as points of light that have been an offshoot of the anointing of everything that I have assigned you to do and ...(Tongues)

And the things long talked about shall begin to unfold.
And it shall surely be, saith the Lord, that now My young men and women shall come to thee,
And you will launch them like arrows from those things in
the which they will be trained by thee.
So if you'll apprehend these words, saith the Spirit of Grace,
I'm going to have a multiplied increase anointing upon this place.
And there will not just be increase in the numbers of people that attend,
But there will be a great increase in the number of people I will send.
And there'll be great increase, saith the Spirit of God, in the finances within.
There will be a great increase in the partnership as well,
And there'll be a great advance because the barriers and limits and the borders previous shall
fall back in the groundswell
Of the upheaval of the advance of the Army of My Might,
For they're going to walk in the manifested victory of the Banner of Light.
And revelation is going to show you how to increase the flow,
So that the Spirit of God will manifest Himself in the midst, don't you know.
For you're not just building buildings and believing in transportation so that you can go and
flow And have what you need, you know.
No, saith the Spirit of Grace,
It has always been My desire to ready a people to inhabit this place.

For you see, it is the people that are the worth of what cost Me My blood. It is the people that are coming, and the people that will be reached, and the planet as it cries out under the weight of the need of the creation of the people. This is why you've been called. For you shall now begin to see like I see, and you shall begin to understand that it is not about television, it's about people. It is not about flying, it's about getting to people. It is not about money, it's about giving so people can be reached. It is not about meetings for training, it's about so that people can come and be set free. I laid My life down for the planet and I will have the fullness of My harvest off of My Seed in restoring Heaven and Earth back to My original intent. I will have it, and I am unleashing an anointing on My people to go get it. For it is He that giveth thee power to get wealth that He may establish His covenant in the earth. And you are the seed of Abraham, and as the children of the prophets stand and see the salvation of God. For I have closed off the path back to bondage, and I'm taking you on the short track unto the land where the Jordan is rolled back and grows of itself the fruit of more than enough. Know this, saith the Lord, there is much land to be possessed, and yes, there are some giants to be slain, and walled cities to fall, but you are not small; you will be victorious after all. And I will get the glory from within your midst, so rise up in faith, accept these words; do not resist, and two years from this day you shall surely see that the word of the prophet shall come to pass in fullness if you believe Me. So, therefore I'll advance you ten years in one for the sudden speed of My overtaking blessing has this day begun.
